Remarks:	Permission required prior to use. Pilots should check serviceability before use. Please be sensible when visiting and show some airmanship... (some what?!) Avoid overflying airport or surrounding houses marked with red Xs. Avoid overflying surrounding townships of Torquay and Breamlea. Beware powerlines and trees on approaches to RWY 18, 09 and 27. After heavy rain some areas may be soft/unusable. Airport used for aerial banner pickups and drop-offs regularly. Kangaroos graze in adjacent wetlands - may be on runways around dawn/dusk. Birdlife around wetlands/airport can be considerable.

WARNING: Tandem skydive operations most days from 10000'. Dropzone up to 2nm radius around airport. Aerobatic flights conducted most days. Will occur between 4500' - 1500' in vicinity of airport.

YTQY - Torquay Airport

325 Blackgate Rd. Torquay

18 / 36	All circuits to East of airport.
27 / 09	Standard left hand circuits.
13 / 31	Not available for public use. Standard left had circuits.
Western Grass	All circuits to West of airport.
Remarks:	Please be sensible when visiting Torquay. Common sense and a little airmanship will avoid most problems and keep noise to a minimum. Avoid overflying houses in the circuit area or surrounding townships. Joining the circuit on downwind, base or straight-in is preferred. Avoid using 18 / 36 and Western Grass simultaneously.
